3 Free CPE Credits… How's that sound?

No, seriously. Completely free. That's what Ledgent CPE University provides to clients and candidates in our community.

"Is it really free? What's the catch?"

There's no catch, there's no sales pitch; it's really just a free monthly networking event sponsored by Ledgent. Why? Our company's Purpose is "To make life better for the people we serve." Many of our own recruiters and managers are CPA's and we understand how challenging it can be to fit your Continuing Professional Education into your schedule, not to mention how costly it can be to get all the credits you need at conferences and workshops.

To confirm a reservation for the next local event call 866.702.6670 or visit www.ledgent.com. If you have colleagues located in a different city or state, feel free to let them know about this opportunity, just have them call **866.702.6670** which directly connects them to the nearest Ledgent office.

"The CPE classes have been extremely beneficial to me as opportunities to both stay current on accounting topics and network with other professionals."

– Steve Cogswell, Controller
